SIMPLICITY FOR A MODERN LIFE

GROHE Baulines Kitchen

Stunning simplicity defines the GROHE Bau collection. With a cylindrical spout that creates a visual lightness, these faucets are ideal for the kitchen of today. The faucets are available in high, medium and low-spout versions, so you can enjoy extra room to manoeuvre, or a compact solution. Each faucet features a smooth turn mechanism, and the Easy Exchange Mousseur makes exchanging the mousseur on low and medium spouts when needed effortless. Thanks to GROHE Zero, water is guaranteed to be 100 % lead- and nickel-free. GROHE's QuickFix Plus system ensures fitting is up to 70 % faster than on comparable faucets. With clean lines and a broad choice of appealing lever handle designs, GROHE Bau is a perfect fit for classical, contemporary or cosmopolitan kitchen schemes.

GROHE QUICKFIX PLUS

Tool-free installation and a preassembled faucet – GROHE QuickFix Plus makes fitting up to 70 % faster than on comparable products.

GROHE ZERO

GROHE's inner water guide technology ensures pure drinking water that's 100 % lead- and nickel-free.

EASY EXCHANGE MOUSSEUR

Change the mousseur in the faucet tool-free with the clever coin-slot exchange mechanism.

GROHE QUICKFIX PLUS – INSTALLATION IN A BREATH

The new GROHE QuickFix Plus technology brings a new era in terms of installation of kitchen faucets. The unique and not comparable GROHE QuickFix Plus system enables an ultrafast setting up without any tools! Up to 70 % less time consumption for the installation!

GROHE STARLIGHT

Made-to-last surfaces ranging from precious matt to shiny like a diamond.

EASYEXCHANGE

The aerator is easy to install and de-install using just a coin.

GROHE ZERO (LEAD- + NICKEL-FREE)

No contact of water with lead and nickel due to isolated inner water ways.

COMFORT HEIGHT

Height of the spout allows easy filling of large pots.
