REINVENTION OF A LEGEND

GROHE Zedra

THE BENEFITS OF GROHE ZEDRA

The reinvention of a legend brings design flair and innovative operation to your kitchen – the new GROHE Zedra. With an elegantly fluted zinc body the Zedra offers intuitive, tactile operation and great features such as lead and nickle free water flow. The pull-out spray is ideal for rinsing veg or the sink itself – you can select from three spray types according to the job in hand – while water consumption is reduced by up to 70% without compromising performance. When finished it retracts easily into place thanks to the Magnetic Docking system. The range has a model to suit every need. Available in two finishes, this sleek, sophisticated faucet puts you in control.

UNIQUE FAUCET DESIGN

- Intuitive, elegant, tactile

PULL-OUT SPRAY WITH 3 SPRAY TYPES

1 Laminar Spray

Clean spray without addition of air that guarantees no splashing

2 Shower Spray

Powerful spray with addition of air to rinse fruits and vegetables

3 GROHE Blade Spray

Very condensed spray with up to 70% less water consumption compared to shower spray, effective for cutting through debris

• Pause Button

Allows to pause the water flow while operating the faucet

MAGNETIC DOCKING

- Integrated magnets for seamless docking of the spray head

GROHE ZERO: LEAD & NICKEL FREE WATER FLOW

QUICKFIX PLUS

- 65% faster installation

Activation of the water flow with a simple touch

GROHE ZEDRA TOUCH LOVE AT FIRST TOUCH

Put the sweeping power of water at the center of your kitchen with the Zedra Touch. Zedra's distinctive fluted swivel spout and beautifully tactile lever combine ergonomic design with visual flair. The addition of GROHE's EasyTouch technology enables you to also control the water flow with just one touch.

Control of the water flow via lever
